**Re: Mr. Metod Mohar Of DistinctionHomes Australia Pty Ltd
87 Tournament Drive, Sanctuary Lakes**

I, Harry Sofianos have known and worked with Mr. Metod Mohar for approximately ten years.

We have worked together on many residential developments including multi-unit sites and single architecturally designed homes and during that time, I have come to know him very well.

Methods' knowledge and experience in the building trade is vast and precise and our office has approached him on many occasions seeking his knowledge of building and construction details.

I have no hesitation in recommending him as a person of highest character and integrity in personal reference and well organised, meticulous and well educated in all areas of building in his professional capacity to hold registration as a domestic builder and a builder who can cope with any type of construction.

Should you have any further queries, please do not hesitate to contact our office on 9375-7541.

Yours faithfully
